

Chapel Hill Academy Band Scores

“Superior!”

Thirty-six CHA band students participated in the CHA Music Festival in early March. The festival is a chance for band students to play a number in front of a judge who rates their performance. Three ratings are awarded: Superior (the highest achievement), Excellent and Very Good. Thirty-two students were awarded Superior ratings. In addition to a Superior award, Max Melin's performance was named Best of Site with a perfect score. The CHA Band also received Superior ratings on all three of its numbers that it performed. This year's judge was Randall Grist, a local freelance performer and teacher. Congratulations to all of our students who are using their talents to glorify God!
